16. [REDACTED] LIAISON Met briefly with Bill Miller, Staff Director, Senate Select Committee on Intelligence, who asked me how the Agency was coming on his request of 27 January for [REDACTED] documents. I told him that there would be a problem with at least one of the documents, as Mr. Knoche previously won the staff's agreement not to seek a copy of it because of NSC sensitivities. Miller was surprised and said he thought whatever arrangement was previously worked out would be satisfactory. I promised to contact him again on the subject.

(Unclassified - DFM) LIAISON Called Bill Miller, Staff Director, Senate Select Committee on Intelligence, to alert him to the letter sent from the Senate Budget Committee to the Congressional Budget Office requesting that the CBO investigate the preparation of the newest NIE on Soviet strategic forces. Miller's response was that this matter was outside the jurisdiction and possibly expertise of the CBO and that we should inform the Budget Committee that they should contact the Senate Select Committee which has already looked into the matter.
